UNITE Club Mission Statement

UNITE Club members agree to educate themselves and their communities, including youth and their peers, on the importance of remaining drug free, and to help raise awareness about the dangers of substance misuse or abuse, and all the issues that surround drug use, by being a positive, active force in their communities and schools.

UNDERSTAND THE FORCES IN OUR LIVES THAT SHAPE ATTITUDES
AND FEELINGS ABOUT DRUGS

NEVER EXPERIMENT WITH DRUGS — NEVER NEGOTIATE OUR VALUES

INITIATE ACTIVITIES THAT PROVIDE AN ALTERNATIVE TO DRUG USE

TEACH OTHERS THE VALUE OF STAYING DRUG FREE

ENCOURAGE PEER MENTORING IN SCHOOLS

Goals For UNITE Clubs

- To educate young people and the community concerning the physical and psychological effects of tobacco, alcohol and other drugs.
- To increase awareness of the diverse and growing number of problems associated with tobacco, alcohol, and other drug use.
- To train youth to be capable leaders who have a powerful, positive influence on their peers and communities.
- To empower young people to take a lead in developing prevention programs in their schools and communities.
- To provide youth a positive peer support group of friends.
- To foster personal and social responsibility to self and others through educational and service activities.
- To develop the skills necessary to make healthy life choices.
- To become active advocates for drug prevention and inspire others to become partners in tobacco, alcohol and other drug prevention efforts.

Starting A UNITE Club

1. Identify a sponsor for your UNITE Club.

- Club Sponsors play a pivotal role in guiding young people toward choosing to stay drug and alcohol free. One simple, effective way you affect young people is by teaching through example.
- There must be a school staff member assigned as the Club Sponsor at all Club functions. A Club Co-sponsor may be someone who is not affiliated with the school.

The Club sponsor's role includes:

1. Being present at all meetings and events
2. Helping Club officers plan meetings, activities and arrange events
3. Delivering or supervising educational activities at Club meetings
4. Serving as the Club liaison with other adults, UNITE office, UNITE community coalition, and other organizations in the community
5. Maintaining financial records of funding provided through UNITE

UNITE Clubs have the ability to make a huge difference, not only in schools, but also in the community. It is because of this that we are looking for highly motivated, enthusiastic, trustworthy, and passionate individuals to help lead and guide these students; the success of the Club rests on the effectiveness of its sponsor.

2. UNITE recommends that Clubs be broken down by grades 4-5 (elementary school), grades 6-8 (middle school) and grades 9-12 (high school) because children are often more comfortable around others of the same age.
3. The more members you have the more people you can reach and the more successful you are likely to be. So make your own flyers, advertise your Club meetings and invite other students to join!

4. At your first meeting, discuss what the UNITE initiative is and why it is important for everyone to be involved.
5. Elect officers
 - UNITE Club President
 1. Works with adult leaders and school sponsor to plan activities, meetings and events
 2. Chairs meetings and/or co-chairs with Club Sponsor
 3. Recruits new members
 4. Handles publicity and highlights the Club's activities
 - UNITE Club Secretary
 1. Keeps minutes of each meeting
 2. Keeps school and other members informed of upcoming meetings and events
 3. Helps publicize upcoming events
 4. Keeps a membership roster (which must be reported to sponsor)
 5. Prepares and submits the "UNITE Club Monthly Meeting/Activity Report" form to UNITE office with assistance of sponsor
 - UNITE Club Historian
 1. Maintains a Club scrapbook
 2. Takes photographs of events and keeps Club sponsor informed of activities

3. Assists Club sponsor in preparing entry for annual “UNITE Club of the Year” award (submitted at end of school year)
- UNITE Club Treasurer
 1. Collects and records money used by the Club for activities through donations and fundraisers. **(NOTE: The Club Sponsor is responsible for maintaining financial records of the funding provided by UNITE.)**
6. Establish a regular meeting time and place. Club meetings should be held at least monthly during pre-approved school times or in an after-school setting if transportation is provided.
 7. Once your Club is established you will need to complete and submit the following forms:
 - **UNITE Club Registration Form** (Page 27 of this manual)
 - **UNITE Club Member Registration Form** (Page 29 of this manual)
 - **UNITE Club Project/Activity Proposal Form** (Page 31 of this manual)

ALL CLUBS MUST RE-REGISTER EVERY SCHOOL YEAR.

YOUR CLUB WILL NOT BE ELIGIBLE TO RECEIVE FUNDING UNLESS THESE 3 FORMS FOR THE 2017-18 SCHOOL YEAR ARE ON FILE.

Be sure to complete all sections of each form. When complete, please email/scan or Fax them to Samantha Ratliff (see contact information on cover).

> If you have submitted your Club Registration forms but have not heard from Samantha Ratliff within two weeks, please contact her at sratilff@centertech.com or 606-889-0422 to verify that we have received your paperwork.

> All activities must be approved by the UNITE Board of Directors before funds can be expended. The UNITE Board of Directors generally meets the 3rd Tuesday of each month. Any activity needing Board approval must be submitted to Samantha Ratliff no later than the 2nd Tuesday of each month (one week before Board meeting) so it can be included in the Board report.

Scheduled Board meeting dates (subject to change) are: September 19, 2017; October 17, 2017; November 21, 2017; December 19, 2017; January 16, 2018; February 20, 2018; March 20, 2018; April 17, 2018; and May 15, 2018.

DO NOT make purchases without approval from the UNITE office.

> New Club members may be added and submitted throughout the year. Clubs **MUST** be registered by **Friday, January 19, 2018**, to be eligible for funding.

> All registered Club members will receive a free T-shirt. **It is strongly encouraged for Clubs to register by Friday, December 1, 2017, to ensure Club members receive T-shirts in January.** (For details about ordering see page 14 of this manual.)

8. Develop your UNITE Club's motto.
9. Develop a monthly activity list that outlines your Club's goals. Use the list of suggested activities in this Handbook to begin thinking about what your Club can do. Feel free to be creative and develop your own ideas.
10. Club officers and members are **STRONGLY** encouraged to become active members of their local UNITE community coalition. This will provide opportunities for partnership and community involvement with your projects and activities.
11. Club sponsors must submit a **"Project/Activity Proposal"** form (available in the Forms section and at www.operationunite.org) to the UNITE office for approval **BEFORE** the project/activity begins and **BEFORE** any materials are purchased. (See "Funding for UNITE Clubs" section for details.)

12. If you have submitted a project for Board consideration but have not heard if it was approved within a week after the Board meeting please contact Samantha Ratliff at sratliff@centertech.com or 606-889-0422 to check on the status **BEFORE** spending your funds.
13. Clubs are encouraged to keep the UNITE office apprised of your upcoming activities and events. We want to assist you in publicizing your efforts so that you can be an example to the entire community. Plus, UNITE staff may be interested in attending some of these events. Please inform your county's UNITE Coalition Coordinator. (For a list of coordinators go to the UNITE website www.operationunite.org. Under the "Coalitions" tab click on "Find Your Coalition," then click on the "Download Coalitions Contact Flyer" link.)
14. Each UNITE Club is **required** to submit a "**UNITE Club Monthly Meeting/Activity Report**" form (available in the Forms section and at www.operationunite.org). Please complete your "Monthly Meeting/Activity Report Form" and email/scan or fax to Samantha Ratliff no later than the **2nd Tuesday** of each month. This will ensure that your activities are being reported to the Board.

UNITE Club Members

Recruiting Members

Clubs that meet in the schools can be publicized in an array of ways:

- The most effective tool is often peer-to-peer recruitment
- Make announcements over the public address system
- Have teachers make announcements in each classroom
- Give a presentation during a school assembly
- Send letters home to parents/guardians
- Use posters/flyers in hallways, on bulletin boards and newsletters
- Place announcements in local newspaper

Do not be discouraged if the initial turnout for a Club meeting is less than desired. Once the word about the UNITE Club begins to spread, it will help your recruiting efforts.

For more ideas see the “Organization & Event Tips” section.

Drug-Free Agreement - **NEW**

UNITE asks that all Club members sign a pledge to be drug free. **Note: A new “Drug-Free Pledge” was created for use beginning with the 2017-18 school year.** (An 8.5”x11” certificate is available to download at www.operationunite.org).

No child should be denied membership because of past drug use or reputation. No one should be asked about his or her drug use in front of other Club members. It is strongly discouraged that anyone discuss past drug use during meetings or elsewhere. The most important consideration is that all members be committed to being drug free.

Funding for UNITE Clubs

Registered UNITE Clubs may receive up to **\$500** from Operation UNITE each school year to assist with projects and activities. These payments are made for allowable resources on a reimbursement basis only.

Clubs may reallocate up to 10% of total approved funds between individual projects without prior approval from UNITE.

Obtain Project Approval

Club registration requirements are outlined in the “Starting A UNITE Club” section (see Page 6 of this manual). Once a UNITE Club is established and registered, all projects and budgets must be submitted and approved by the UNITE office.

Your club will not be eligible to receive funding unless the “UNITE Club Registration,” “UNITE Club Member Registration,” and the “UNITE Club Project/Activity Proposal” forms are completed and on file at the UNITE office.

Do not purchase anything before you have received project approval from the UNITE office.

Acceptable Expenditures

A list of expenses for which UNITE funding may be used is printed on the “Project/Activity Proposal” form.

Non-Acceptable Expenditures

UNITE cannot pay for:

1. Lodging or Rent
2. Food and beverages
3. Field Trips
4. Wages
5. Items used in connection with any type of fundraising activity
6. Items not specifically for use in connection with UNITE Club activities

PLEASE NOTE: Food and Beverage

UNITE Club funding may not be used for any food or beverage purchases. Please do not request reimbursement for food or beverages from the UNITE office.

Requesting Reimbursement

Once your project/activity has been completed, the Club sponsor should submit detailed copies of any invoice or receipt to support the approved expenses to the UNITE office using the “**Reimbursement / Payment Form**” **NEW** (available in the Forms section on page 35 and at www.operationunite.org).

We cannot reimburse you for any purchases without an original receipt from a business or manufacturer.

Requests for reimbursement and associated documentation must be received in the UNITE office no later than **May 31, 2018** for processing.

Clubs may submit requests for funding at multiple times throughout the school year, up to a maximum of \$500 per school year.

Direct Payment

Sponsors are encouraged to check whether their school has a policy on establishing a Club account to facilitate payments and reimbursements. Generally, purchase orders can be obtained to cover expenses and the Club benefits from the school’s tax-exempt status. If your school will not allow you to make purchases with a purchase order number, you may do the following using the “**Reimbursement Request Form**” **NEW** (available in the Forms section on page 35 and at www.operationunite.org):

- Get a statement of cost from the business or manufacturer regarding your purchase.
- Fax or scan that request along with the details regarding your project that contains the category of approved UNITE Club expenditures (listed on the Project/Activity Proposal Form, page 31) to sratliff@centertech.com.
- Your request and statement will be forwarded to our billing office, which will send a check to the business/manufacturer of your items.
- **Be sure to include the full name and complete address for the business or manufacturer.**
- **Be sure to send a shipping address (no P.O. Boxes) for your items; we will not ship to UNITE offices.**
- When payment is received, the business/manufacturer will ship items to the address you have provided.

UNITE Club T-shirts

Operation UNITE will provide an “I AM UNITE” Club T-shirt for every registered UNITE Club member and up to two (2) Club sponsors. UNITE will pay to have the T-shirts shipped directly to your school for members listed on the initial “Member Registration” form submitted by your Club during the registration process.

The cost for shipping T-shirts for members added later in the year will be your club’s responsibility.

Registration & Ordering Information

Club T-shirts will be ordered only three times for the 2017-18 school year. All Club registration forms must be submitted before shirts will be ordered.

First registration deadline Friday, October 27, 2017

Second registration deadline Friday, December 1, 2017

Final registration deadline Friday, January 19, 2018

Additional T-shirts for your school, staff and parents will be available for purchase at a cost of \$5 per shirt. Orders for additional shirts **must** be placed on the same order schedule as Club shirts. You will need to send a check, made payable to “Operation UNITE,” to Samantha Ratliff at address listed on the cover of this manual.

All participants agree to indemnify and hold harmless UNITE, its employees, officers, directors and agents, from and against any and all liabilities, obligations, penalties, claims, damages, and/or judgments of any kind, nature or description, including all attorney’s fees and other costs and expenses that may be incurred by UNITE, which may be imposed upon, incurred or suffered by or asserted against UNITE, its employees, officers, directors, and agents by third parties arising out of the recipient’s actions in connection with this project.

Promote Your Club

“I Am UNITE – UNITE Strong” is more than just a theme for your Club; it is a hope that we have for you and your community. In addition, this year’s slogan is: **Heroes of H.O.P.E. (Helping Others by Positive Example)**.

As an organization there is only so much we can do, but with your assistance we can help reduce the problems created by substance abuse. Everyone who puts into practice our values, chooses to say “no” to drugs, and helps to raise awareness in their community is UNITE. We are a collective body working to make our region a better place.

WE ARE UNITE. YOU ARE UNITE. I AM UNITE.

Staying Connected

For Clubs to be successful, they must stay connected. All UNITE Club members are responsible for spreading the word about events and activities within their school and community. Below are a few ideas on how this can be accomplished:

Facebook and Twitter

- Promote your club activities by tagging Operation UNITE (@OpUNITEKy) on Facebook or (@UNITEKy) on Twitter.
- All Club-related posts should be monitored and approved by the Club Sponsor.

Club Pen Pals

- This relatively idea pairs up UNITE Clubs based on their membership.
- Once paired up, letters could then be written to their Pen Pal Club as a way to broaden horizons and make new friends who may have similar interest or be facing similar problems.

- All correspondence should be monitored by the Club Sponsor for inappropriate content.

Public Service Announcements

- UNITE encourages Clubs to make a Drug Awareness Public Service Announcement – featuring none other than YOU!
- Pick a theme, make a script, and practice (themes/ideas must correspond with the values of UNITE).
- Once ready, Film it! (If your school has the ability to film and edit video go ahead! If not, give us a call and we will assist you.)
- Each video could then be edited and compiled to create your own UNITE Club anti-drug PSA.

UNITE Reads

- This is a mentoring program based on Rockcastle County’s successful “RocketReaders” Program.
- UNITE Club members are encouraged to pick out books, skits, fun presentations, games, and activities that they can present/teach to elementary-aged kids.
- Have your sponsor arrange times/days that would be acceptable, during school hours, for both you and the kids.
- Remember school comes first - this is just a bonus!

UNITE Club Blog

- Create an on-line blog to share thoughts and ideas or to promote your projects and activities.
- Sponsors should check with school policies before creating blogs and should monitor all postings.

Connect With Other Clubs

- What better way to spread awareness, ideas, and promote your clubs than to connect with other clubs in your school? Plan events together and share ideas.

- First Priority, Fellowship of Christian Athletes (FCA), BETA, NHS, Thespians Society (Drama Club), etc.
- For example: Organize an end-of-the-year cookout, sponsor a game together, etc.

Presentations

- Make drug facts presentations that you can present to your classmates that show the dangers of drugs.
- Make presentations at your community coalition meetings or other school organizations.

Posters

- Make posters to place around school that peak interest and raise awareness.
- And remember: Promote your events!

Club and Red Ribbon Week Activity & Event Ideas

To have the greatest impact, you want to involve everyone in your school – students, faculty, staff, and parents – in addition to members of the community. Below are a few suggestions on ways to promote your UNITE Club.

- Logo contest. Give your club an identity. Reward the winner.
- Slogan contest. It is handy to have a catch phrase for use on promotional materials and give focus to your Club's efforts.
- Take photos at each event and submit to your local newspaper with a brief description of what happened, who was involved, when and where it took place, and the purpose for the event.
- Challenge every Club member to "invite a friend" to become involved. Set a goal for new members and reward the group if they succeed.
- Maintain a hallway bulletin board to display drawings, posters, poems, information about Club activities and anti-drug information. Make sure to include a calendar of upcoming activities. Change monthly.
- Begin each UNITE Club meeting with the Anti-Drug Pledge. **Remember there is a new Pledge starting with the 2017-18 school year.** (See page 11.)
- Have your school's cheerleaders learn and perform UNITE-themed cheers.
- Have students write Public Service Announcements and ask local/school radio stations to let members record them. You can also recite them over the school public address system and submit to local radio/TV stations.
- With your sponsor's permission, create a Facebook or Internet web page with Club activities and photos.
- Organize a school fair about UNITE and dangers of substance abuse. Invite local agencies or representatives that work with substance abuse issues (such

as health departments, regional prevention centers, treatment agencies, local law enforcement, and youth clubs).

- Distribute flyers on the dangers of drug use and how to get help.
- Decorate grocery bags with anti-drug messages and redistribute them to the stores in the community. Ask stores to put UNITE Club logo on bags with the school emblem.
- Ask daily substance abuse trivia questions over the intercom.
- Sponsor a UNITE essay contest. (Topic examples: “Why I say NO to drugs” or “How drug use would interfere with my goals.”)
- Have a UNITE poster, poem or song contest.
- Plan UNITE clothing days. Give awards to the class with the most participants:
 1. “Wear Red Day” – Everyone wears red or red ribbons against drugs (red socks, red hats, and red shirts)
 2. Hat Day – Everyone decorates hats with anti-drug themes
 3. Pajama Day – Everyone wears pajamas, house shoes
 4. School Spirit Day – See who wears the most school spirit
 5. Wacky T Shirt-- shirts with buttons and pins that have messages on them
 6. Face Painting
 7. Favorite sport day – Everyone dresses up as their favorite athlete
 8. Shoe of a Kind – kick out drugs – Everyone wears different shoe on each foot
 9. Celebrity Look Alike – Everyone dresses as their favorite celebrity
 10. Crazy Hair Day – Everyone wears silly hair styles
 11. “Give Drugs the Slip Day” – Everyone wears slippers
 12. “Boot out Drugs Day” – Everyone wears boots

13. "Band Against Drugs" – Everyone wears headbands or bandannas
14. "Tie Down Drugs Day" – Everyone (including girls) wears the craziest ties that they can find
15. "Don't Let Drugs Turn You Inside Out Day" – Wear clothing inside out
16. "Living Drug-free is no Sweat Day" – Everyone wears sweat clothes
17. "Don't let Drugs Sneak Up on You Day" – Everyone wears sneakers
18. "Turn Your Back on Drugs Day" – Everyone wears clothing backwards
19. "Shade out Drugs Day" – Everyone wears sunglasses
20. "Red Head Day" – Everyone wears something red on his or her heads
21. "Dress Up Day" – dress for success
22. "Wipe out Drugs"

A. Students wear surfer clothing to school.

B. See how many students you can weave together – over shoulder, through legs – in a single line with rolls of toilet paper

- "Can Drugs" drive – students collect canned soup or other items then donate them to a local shelter or food pantry. This is an especially good project around the holidays.
- Conduct a classroom door decoration contest featuring anti-drug messages.
- Hold drug-free dances and events (such as after-prom/after-graduation).
- Set up informational booths at fairs, school events, or in school cafeteria.
- Make a video or develop feature story articles about the UNITE Club or substance abuse. Media and/or journalism classes may do feature stories on the effects of substance abuse or related substance abuse issues. Submit to local paper.
- Write and record a song about UNITE.

- Build a chain against drug abuse. Sign your name to a strip of construction paper that you pledge to remain drug free. Link all the strips to make a chain for your club. Display in a prominent location in the school.
Option: “Stand Against Drugs” program – students make a human chain around the hallways or school.
- Make paper bricks; have each student put his or her name on one as a pledge to be drug free. Build a wall to “UNITE to be drug free.”
- Create your own drug-free pledge.
- Organize a pep rally with contests between grades/classes for the best anti-drug cheer.
- “Drugs are Garbage” contest – decorate the trash containers around the school. Also called “Don’t Waste Your Life.” (Permission is required if you want to use permanent markers or paint.)
- Develop and play games, such as trivia contests, Jeopardy or a scavenger hunt with drug awareness themes.
- “Don’t Let Drugs Twist Your Mind” – students hand out snack bags containing pretzels or Twizzlers candy. This is a potential activity at lunchtime.
- Invite guest speakers to your meetings to find out what is going on in the community. Some ideas for speakers include:
 1. UNITE’s Education Director or staff
 2. Your county’s UNITE Coalition Coordinator
 3. Mayor, county judge-executive or other elected officials
 4. Local agency representative that works in the field of substance abuse
 5. Local law enforcement personnel
 6. Recovering addict or representative of Drug Court
- Write your federal and state legislators to find out what they are doing on specific drug policies or to show your support for an issue.

- Create a “Hands Off Drugs Wall” – Create a large poster with bare tree branches. Everyone who pledges to be drug-free gets to have their handprint (painted or traced and cut out of paper) with their name placed on the tree as leaves.
- Write and perform a play or skit about effects of drugs or ways to say no.
- Develop a puppet show with the drug-free theme to be performed for younger audience.
- Interview community leaders about UNITE activities in your county and produce a newsletter. This should include articles of interest to readers, plus essays on “Why I Say No”, etc. High school journalism students could mentor elementary students in working on this project.
- Develop an educational presentation to be given at school assemblies, before youth groups, PTA, school board meetings or other groups. This may include drug education, ways to say no, cheers, etc.
- Have a parade before the game or during halftime, carrying drug prevention banners. Invite fellow students to join the parade to demonstrate the strength of your commitment to be drug-free.
- Light candles at halftime of athletic or academic events. Turn off the lights, and spend a moment of silence to remember those students and family members that have lost their lives to drugs. Repeat your pledge to be drug free. Have community or school submit names of those that have lost the battle to substance abuse.
- Build a float with an anti-drug theme for presentation in local parades.
- Develop a lesson about the dangers of drug use and present to a younger class. Resistance strategies – show ways to resist pressure to use drugs:
 1. Walk away/leave
 2. Give an excuse or a reason
 3. Make a joke
 4. Hang with others who choose not to use

5. Avoid possible problem situations
 6. Say “no” and repeat it again and again if needed
 7. Change the subject
 8. Ignore it
 9. Offer an alternative
- Create cartoons illustrating a character using one or more of the strategies above to resist pressure from another character or characters to use alcohol, marijuana, or other illegal drugs.
 - Game Day (old-fashioned games)
 1. Sit on buckets of ice to freeze out drugs
 2. Sack races
 3. Tug of war - Have the strength to stay off drugs
 4. Corn hole games - Toss drugs out of our lives

Organization & Event Tips

- Choose club events early in the year – there’s nothing like a date on the calendar to keep the planning process moving.
- Club members should decide what projects they are interested in pursuing. Get permission and go for it!
- If possible, hold club meetings weekly. Regular routines afford more interaction, greater visibility, and opportunities for more students to take part.
- When handing out items, be sure to include a tag with contact information for your club, a drug-free message, along with the toll-free Treatment Help Line (**1-866-908-6483**) and Drug Tip Line (**1-866-424-4382**) numbers.
- Involve school nurses, counselors, lunchroom staff, bus drivers, custodial workers and central office staff in projects.
- On themed days, reward the classroom with the greatest percentage of participants.
- On the Friday of an anti-drug week celebration reward all students in the school because “they are all winners for being drug-free.” Get local businesses to sponsor. This would be a great Red Ribbon Week activity.
 - Resources to contact for assistance with expenses
 - Family Resource Centers
 - Local chapter of KY-ASAP
 - Family Court Judges
 - Drug Court Judges
 - County Attorney
- Looking for speakers? Start within your school. Parents and guardians are involved in many professions; grandparents offer an interesting glimpse of times past. This could also be a demonstration or musical performance. Conclude by discussing how drugs interfere with being able to perform or enjoy these various hobbies and job activities.

- Don't be afraid to elect UNITE Club officers who have never before led a Club or sports team. Remember: Involve everyone!
- To get the biggest impact at the lowest cost, partner with other school clubs when holding events in your community.
- Invite community and business leaders to serve as judges for contests. This promotes awareness and encourages more people to become involved with your school.
- Keep a scrapbook. Include copies of forms, activity directions, meeting minutes and other items. Not only will it provide memories, but you will have a ready-made source of ideas and a visual guide for future club members and new sponsors. It is also nice when it comes time for the **UNITE Club of the Year** award nominations. Involve all club members in this project.
- Ask parents and businesses to donate gifts for prizes and food items for Club events.
- Don't rely on just one awareness promotion. Keep the message current by attending lots of school academic and athletic events (especially football, basketball, soccer and baseball contests) and distribute handouts. Remember you are trying to reach everyone, so mix up your audience. You will also spread the word to other schools!
- Utilize hands-on projects and make sure Club members – not only the sponsors – are responsible for the planning process.
- Be sure to send thank-you notes to anyone who helps your Club.
- Make your event interesting with a special slogan or theme.

UNITE Club Graduation Honors

So you're a member of your school's UNITE Club. AWESOME! Now let's take it that extra mile. By completing the following criteria, high school seniors may receive the following honors:

- Induction as a "UNITE Ambassador," commemorated by a Certificate
- A letter of recommendation from UNITE to the college of your choice
- Become eligible for a **UNITE Foundation "I Am UNITE" Scholarship** (Application guidelines for the scholarship will be sent to your Club sponsor and posted at www.operationunite.org.)

Criteria

To be eligible for UNITE Club Graduation Honors you must:

1. Have an average cumulative GPA (grade point average) of 2.75
2. Participate in a minimum number of volunteer hours (documented on the "Volunteer Service" and "Service Hours Report" forms available in the Forms section or at www.operationunite.org) by the end of your senior year based upon the number of years you have been a club member:
 - One-year member (this year's seniors) – complete 25 hours volunteer work
 - Two-year member – complete 50 hours volunteer work
 - Three-year member – complete 75 hours volunteer work
 - Four-year member – complete 100 hours volunteer work

NOTE: Rising seniors can obtain approximately 60 hours of volunteer work by serving as a Team Leader or Junior Team Leader at Camp UNITE. (These positions are determined through an annual application process.)
