The above facilities may or may not be contracted UNITE facilities offered for treatment of substance abuse. This is by no means a complete list of treatment programs but it is offered to assist people in locating residential facilities. Admissions and bed date availability are at the discretion of the treatment facility and not determined by UNITE. Any co-payments, program objectives, or restrictions are determined by the facility. It is the applicant's responsibility to contact the program of their choice and investigate the program that best meets the applicant's need for treatment. If this is a voucher application, it is the applicant's responsibility to stay in contact with UNITE as to the chosen facility, as well as the date and time of admittance. Please contact the UNITE treatment line with your information upon entering treatment as soon as it has been scheduled. Our office hours are Monday through Friday, 8:00 a.m. - 5:00 p.m.

Treatment assistance is also available by calling the KY HELP Statewide Call Center: 1-833-859-4357
