Camp UNITE 2021 will again be presented as a virtual experience, but it has been expanded to **four days** to provide many new and exciting elements.

Campers -- youth entering 7th-9th grades in August -- will be able to select up to three of the **nine activity tracks** to be presented on Tuesday, Wednesday and Thursday. On Friday, the focus is a bit less structured and focused on fun interactions between campers and staff.

Participants should **register no later than Friday, June 25, 2021**, in order to ensure they will receive a Camp T-shirt along with a box of supplies and supporting materials.
